

CITY SOCIAL

We are pleased to introduce our 2019 wine list.

We have listened to our customers feedback, sampled a wide range of wines (this was particularly challenging!) and of course worked closely with our wine suppliers to provide a wine list which befits City Social and the style of cuisine.

Our intention is to offer uncompromising quality at affordable prices and we really do feel that these wines deliver on all counts.

So, whether you are here on business, for a celebration or just for pleasure, we are confident that you will find a wine to complement the occasion. We hope you enjoy reading our wine list.

Sincerely,

Head Sommelier

Gaetano Giangaspero

Please note from time to time vintages may vary

All prices are in Pounds Sterling

Dom Pérignon

Dom Pérignon has mastered the art of assemblage. By selecting only the best grapes from a single year, the maison upholds the method discovered by Benedictine monk Dom Pierre Pérignon to create breathtakingly distinctive, fresh and intense Champagne.

Overseen by the Cellar Master, the Maison ensures each vintage is only disgorged once it has reached its plénitude – a peak level of expression. The first occurs after around nine years and the second (“P2”) approximately seven years later.
